

Choir Rehearsal Schedule & Agenda—Jan. 12 – Feb. 13, 2011

Each week is listed which liturgy we will be singing, the cantor, prelude, and presentation pieces, as well as any other important information. **Besides the music listed in the boxes, please bring ALL the music listed in the alphabetical listing at the end of this document to rehearsal.** It would be best to organize it all in alphabetical order in your binder so you can pull it quickly. Also, you will need the music listed on your Sunday Liturgy Sheets for each week's rehearsal. It might be best to keep those separated, too, by week.

Alphabetical Listing & Notes **(Please read!)**

- Please pull ALL MUSIC that is listed on the agenda as soon as you can.
- If you are missing any of the older music please check the music files in Church. If you find a file missing a label, nearly empty, completely empty, or missing please put it in the black tray on top of the file cabinet and Amy will refill it. Send **missing file** information to Amy.
- Also, some music is CROSS-FILED... so you may need to look under more than one letter to find it.
- DO NOT put extra music on the top of the file cabinets. If you pull it and don't need it, please put it back in its file. Amy cannot re-file each week for you.
- COPIES are coming to an end! Each time a new piece is put in the file, Amy makes about 70 to 80 copies. Some of you are pulling music that you have at home but are not putting back in the file. Please return to the file at the end of the night. **We are being charged for extra copies. Please cooperate.** If you can think of an easier way to distribute music, please see me! For instance, "Mass of Creation" should never have to be refilled. You should all have this from your first time with choir! If you need to borrow music one night for rehearsal, please return it! Thank you.
- Please have each night's rehearsal music ready prior to the starting time so that rehearsals can begin promptly.
