Social Concerns

“Let us never forget . . .”

A little late in posting but a concern that is never out of date - quote from Pope Francis: "Seventy years ago, on the 6th and the 9th of August 1945, the terrible atomic bomb attacks on Hiroshima and Nagasaki took place. Even after so many years, this tragic event still arouses horror and revulsion. This (event) has become the symbol of mankind's enormous destructive power when it makes a distorted use of scientific and technical progress and serves as a lasting warning to humanity so that it rejects forever war and bans nuclear weapons and all arms of mass destruction. May one cry rise up from every land, 'No' to war and violence and 'Yes' to dialogue and to peace. With war one always loses. The only way to win a war is never to wage it."
