

Welcome!

We welcome all visitors this weekend, and hope you will enjoy being part of our parish family. We invite you to continue joining us each week at our liturgical celebrations.

Our Mission Statement

The Faith Community of St. John The Baptist - Holy Angels Parish believes that we are empowered by the Holy Spirit to proclaim the Gospel of Jesus Christ and to celebrate God's abiding presence among us.

We believe that Sacramental Worship is the source and summit of our Christian life, and that worshipping Jesus in union with the Father and the Holy Spirit is our highest calling.

We believe that God's creation is sacred and beautiful. We accept the responsibility to be stewards of all that God has entrusted to us, especially the gift of life itself.

We believe that, as brothers and sisters of Christ, we are called to live in peace. It is our responsibility to work for peace by seeking justice for all people.

We believe that we are called to proclaim the Gospel, by word and example, to the faithful, to those who have given up active participation in the Catholic Church, to those who have no church community, and to those who are seeking full communion with the Catholic Church.

The fulfillment of this mission is challenged by the geographic distance we encompass, and our large and ever-increasing membership and the diversity of needs among us.

Through the grace of God, may we be strengthened to fulfill this mission.

Youth Box

True or False?

..... **from The National Study of Youth and Religion**

For Catholic youth, participation in youth group, religious education or Catholic school results in an increase in religious practices and a decrease in at-risk behaviors.

True

More equals more: the more they attend Mass and participate in religious programs and youth groups, the more they participate and engage in religious practices.

Dear Friends at St. John The Baptist-Holy Angels,

Thank you so much for your support of A Door of Hope Pregnancy Center! We appreciate that you care so much for the moms and babies to whom we minister.

Our moms will be so excited to have such nice things for their little ones. Since they have chosen life for their babies, we are thankful to offer them encouragement through knowing that many people in the community care about them and want to provide for their needs.

The donations given to a Door of Hope are tremendous blessings! Thank you for partnering with us in this vital ministry!

Carol Doherty
Executive Director

Adopt-A-Family/Wish Tree

It's that time of year again when we are starting to put together our shopping lists for Christmas. Please consider adding someone less fortunate to your Christmas shopping list this year by participating in our Adopt-A-Family and Wish Tree Programs.

Adopting a family can be a great family project. If you are looking for a project to participate in with co-workers, fraternities/sororities, classrooms, or other community groups, consider making this part of your Christmas outreach. If your budget permits you to be particularly generous, please consider adopting more than one family so that you can "share the wealth".

For those of you not wanting to make a large commitment, participating in the Adopt-A-Family Program does not necessarily require adopting an entire family. Please bring in any items that you have at home that are **new** and no longer needed. These items can be filtered into the program to be used as gifts. The Adopt-A-Family Program always welcomes gift cards for groceries, gas and other merchants. Consider buying gift certificates from the School Office. They have numerous merchants to choose from and the School receives a percentage of the sale. Check out their website for more information:

<http://www.holyangelschool.org/Gift%20Card%20Fundraising.htm>.

Please look for more information about the Wish Tree in future bulletins. If you are interested in adopting a family this year or just want more information about either program, please contact Amy Press at 731-2219 or at apress@holyangels.net.

PARISH BUSINESS COMMUNITY (Open for Business)

Over the next year, Finance Council will seek out creative strategies to unleash the financial resources within our parish community. One of these strategies, approved several months ago, is the concept of the Parish Business Community (PBC).

Simply defined, it is a creative strategy to shift parishioner spending to parishioner businesses who will donate a percentage of their incremental business to our parish!

Here is an exciting example. If \$1,000,000 of spending across 2,500 families is shifted to the **PBC**, with an average donation of 10%, that would mean \$100,000 of incremental donations to the parish. If we had access to those funds now, it would make a big difference.

Since we have released our financial report, many people are asking, "How can we help?" Well – there is nothing like starting now and supporting our parish programs. As more companies sign up, please consider shifting your spending and loyalty to those businesses that are committed to our financial success.
